2.3 Name of Property: The Property shall be known by the name of Monarch Springs Subdivision

ARTICLE III

GENERAL USE RESTRICTIONS

3.1 Lot Size: The Property shall be subdivided into lots of approximately .60 acre in size. No lot, as delineated on the filed plat, or as contained in the original deed of conveyance from the Owner, shall be subdivided or in any way reduced in size. This shall not prevent adjoining property owners from making minor adjustments in their common boundary, provided that each such adjustment must first be approved in writing by the committee or the Association, established herein, and must be in harmony with the general character of the Property and must not be detrimental to the planning concepts contained in this document.

3.2 Building Location, Standards and Quality: All residence dwellings shall be in compliance with Jefferson County set backs. The construction of all residences, when commenced, shall be completed with reasonable promptness not to exceed one (1) year, and an unfinished building shall not be left on the property. No construction or placement of a residence is permitted if the total property (including the land), when completed, should appraise at less than \$ 200,000.00 at values prevailing on the date these covenants are recorded in Jefferson County, Idaho. All dwellings shall be of good quality workmanship and materials and substantially the same or better than that which can be produced on the date these covenants are recorded; moreover, all residences must have at least **30 % hard material** in front only. Also all residences shall be in compliance with applicable building codes and have appropriate and lawful sanitation facilities.

3.3 Residence Size; Garage: For a single story residence (with or without a basement) , exclusive of open porches and garages, the ground floor shall be not less than 1500 square feet. For a split level residence, the combined area of the top and nest to the top level, exclusive of open porches and garages, shall be not less than 1700 square feet. For two story residence, the area of the ground floor shall be not less than 1300 square feet, exclusive of open porches and garages. It is further required that no residence, whatsoever, shall be constructed or placed on any lot without at least an attached two car garage. The design of garages and accessory buildings shall be in harmony and compliance with the theme of the residence as determined by the Committee or the Association.

3.4 Property Use: None of the Property nor any fraction thereof shall be improved, used or occupied for and purpose other than for private residential purposes, except as herein provided, and such restrictions to private residential purposes shall include, but not be limited to, the following specific covenants and restrictions:

Not more than one residential dwelling shall be constructed upon each lot and all lots within the property shall be owned and used exclusively for single family residential purposes. Any residence constructed on any lot shall be designed for occupancy by not more than one family, and shall be a detached single family residence not to exceed two stories in height. No manufactured homes allowed.

3.5 Outbuilding Standards: All out buildings and similar structures shall, when commenced, be completed within a reasonable time not to exceed one (1) year, and shall not be left in an unfinished or unsightly condition. The design of each shall be in harmony with the residence and surroundings, as determined by the Committee or Association. No outbuilding or similar structure may be built closer than ten (10) feet to any property boundary.

3.6 Landscaping: Diverse kinds of landscaping shall be permitted with the major restriction that the property shall not be permitted to be overgrown with noxious weeds nor continuously left in an uncared for condition. Any plantings on a lot must be reasonably maintained by the lot owner. Leafy spurge, bull thistle and all other noxious weeds must be controlled by each lot owner, and no unkept yards shall be allowed. All landscape completed within (1) one year of Certificate Occupancy from County.

3.7 Fences, Mailboxes And Satellite Dishes: No fences shall be constructed except after approval and review by the Committee, and all fences shall be designed and constructed so as to be compatible with the Property. Except as provided herein, all fences shall be constructed of wooden , metal, vinyl or masonry materials. All fences shall be designed and constructed so as to not constitute a nuisance or offensive effect on other owners. Chain-link fences for animal containment purposes, with proper screening from neighbors and public view, may be acceptable on approval of the Committee. All mailboxes and mailbox holders shall be of a standard design and accepted by the Committee and adhering to the applicable specification of the U.S. Postal Service. Mailbox holders shall be constructed of Brick or Rock . Each owner shall be responsible for the maintenance and replacement of his or her mailbox so as to keep it in a state of repair at all times. Satellite dishes shall not be placed anywhere within the front boundaries of any residence.

ARTICLE IV

4.2 Animals And Agricultural Usage: No livestock or animals of any kind or character shall be kept or maintained on the Property except the following may be allowed with each dwelling residence: (1) each family actually residing in a house on a lot shall be allowed no more than three household pets, and all household pets shall be kept in an

3

enclosure or under control at all times. All pets shall be maintained in such a way that they shall not become offensively odorous or noisy to any owner of the Property. Under no circumstances shall any horses, cows, swine, goats, chickens or sheep be permitted to be kept or maintained on the Property. All household pets shall be kept in an enclosure or on a leash, kennel or fenced area. Under no circumstances shall any animals be bred and/or maintained on the Property for any commercial purpose. Under no circumstances shall any feed lot be operated or maintained on the Property. Dog Or Pet Houses. Dog or pet houses are allowed provided that both the dog or pet house and its surroundings are kept in a neat and orderly fashion. Dog runs, pens and kennels are not permitted, unless approved by the Committee or Association.

A. No commercial truck farming, fruit raising or greenhouse operation shall be utilized or maintained on the property, temporarily or otherwise.

B. There shall be no storage of farm machinery, farm trucks, or other agricultural equipment on the Property.

C. Crops and other agricultural products shall not be stored on the Property, except for personal, family, or household use, and the storage of those products on the Property for such use shall not be visible from the street.

4.3 Noxious Activities: No noxious or offensive activity shall be carried on or upon any portion of the Property, nor shall anything be put thereon which may be or may become an annoyance or nuisance to any of the other owners. No noxious or offensive operation and / or business or trade of any kind, even if allowed by Municipal, County or State law or zoning, shall be allowed or maintained on any lot. In case of a dispute, at the request of any owner, the Committee, and then the Association after it is created, shall make the final determination of what constitutes a nuisance. No owner shall cause or allow the origination of excessive odors or sounds from his or her lot, and owner shall cause or allow any nuisance of any kind whatsoever to exist on his or her property.

4.4 Garbage And Refuse Disposal: Rubbish, garbage or other waste shall be kept and promptly disposed of in a sanitary manner, and all containers shall be kept in a clean and sanitary condition. No rubbish, garbage or other waste shall be dumped on any vacant lot or upon any canal right-of way or any other easement or right -of-way. All garbage and refuse must be kept in receptacles of an approved design and placed in uniform locations out of sight of the general public. Said garbage and refuse must be disposed of at least

weekly. Property owners will be responsible for and maintain the said receptacles. No weeds, garbage or refuse piles, trash, vehicles, discarded articles, or other unsightly objects shall be placed or suffered to remain on any part of any lot, including vacant lots. When the construction of any building is once begun, waste or debris associated with said construction must be kept reasonably and timely piled and removed. Burning of trash in outside receptacles is prohibited. Motor Vehicles. No inoperable vehicles will be allowed to be parked on a lot for more than sixty (60) days.

4.5 Oil And Mining Operations: No oil or mineral drilling, development, refining,

quarrying or mining operations of any kind are permitted upon or in any lot, or shall oil wells, tanks, tunnels, mineral excavations or shafts be permitted on or in any lot. 4.8 Commercial or Noncommercial Uses Prohibited: No commercial or noncommercial enterprise, industrial venture or business of any type or nature may be constructed, conducted or maintained upon the Property; however, this prohibition is subject to the condition that seventy-five (75%) of the property owners, in their sole discretion, may permit , only by a written document signed by said percentage, one home-occupation, home-profession or home-business to be conducted solely withing the confines of a single family residential dwelling, without resort to other structures on the lot. This prohibition shall not prevent the Owner from maintaining a temporary office on the Property that relates to the business of the Owner and the development and sale of the Property.

ARTICLE V

DURATION, AMENDMENT, INTERPRETATION

5.1 Initial Term: These covenants and restrictions shall remain in force and be binding upon the Property and run with the land and all owners and subsequent owners that acquire any interest in any of the Property, or any lot, portion or parcel thereof shall be subject to these covenants and restrictions for a period of twenty (20) years from the date this document is recorded in Jefferson County, Idaho, and at the expiration of said twenty (20) year time period these covenants shall be automatically extended for successive periods of ten (10) years each.

5.2 Amendment: The recorded owners of seventy-five percent (75%) of the lots may change, modify, amend or vary these covenants and this document, in whole or in part, during any term or extended term thereof, by a written instrument signed by said owners and properly recorded in Jefferson County, Idaho. Said change, modification or amendment will be effective upon said recordation.

5.3 Liberal Construction: The provisions of this declaration shall be liberally construed to effectuate its purpose of creating a mutually beneficial plan for the development and maintenance of a superior, attractive and harmonious residential area.

5.4 Saving Clause: The provisions of this declaration shall be deemed independent and

severable, and the invalidity or partial invalidity or unenforceability of any one provision or portion thereof shall not affect the validity or enforceability of any other provision hereof. The failure of any party, owner, or entity to enforce any covenant or restriction shall not constitute a waiver or abrogation of said covenant or restriction.

ARTICLE VI

COMMITTEE

6.1 Establishment, Nature, Power And Duties of Committee: There is hereby established a Building And Design Committee (herein referred to as the Committee) composed of three members which shall have the duties and powers specified in this document, including, but not limited to: a) the control of the architecture and location of residential dwellings, buildings and other improvements and landscaping, b) the determination and resolution of disputed issues under this document, c) the approval of variations and amendments to this document, and d) the enforcement of the covenants, conditions and restrictions herein. All plans for structures of any kind intended to be constructed or placed on any lot shall first be submitted in the form of a written document to the committee for approval as to: (1) the location on the lot, and (2) the architectural design and /or appearance and /Or harmony of the proposed structure with the rest of the actual or intended development of the property, and (3) topography and finish grade elevation. The decision of the Committee in approving or denying said plans shall be final.

6.2 Election and Term: AAG Properties , L.L.C. shall Elect / Appoint (3) individuals to serve as the committee referred to herein. They will serve as the Committee for a term of no more than three (3) years, and said term will commence upon the recording of this document in Jefferson County, Idaho. Upon the expiration of their term, members of the Committee shall thereafter be elected by vote of the recorded lot owners, to serve three (3) year terms. The Committee, at least thirty (30) days prior to the expiration of their term of office, shall call for an election to be held to select their replacements. A written notice of the time and place of said election shall be given to all recorded owners not less than thirty (30) before the said election. One vote shall be allocated to each lot on the Property. The Owner shall be taken from the floor, and the three persons, which must be recorded lot owners, receiving the highest number of votes, by secret ballot, shall serve for the ensuing three years as the Committee. In the event of incapacity, death, resignation or inability to serve of any one member of the Committee prior to the next ensuing election, the remaining members of the Committee shall designate a successor, who shall be a recorded lot owner, to fill the unexpired term. In the event of incapacity, death, resignation or inability to serve of two or more members of the Committee, then the Owner shall select a new Committee to fill the unexpired terms, or if the Association has been created, then the Association shall select a new Committee by virtue of the election process described herein.

6.3 Procedure: The Committee shall elect a chairman and a secretary. The secretary

shall keep minutes and records of the proceedings of the Committee. Any member of the committee may call a formal meeting of the Committee on ten days prior written notice to the other two members. A majority of the whole Committee shall be required to decide questions. The Committee shall have the right to investigate, interview witnesses, and seek expert legal, engineering, or other advice or help. Decisions of the Committee shall be binding upon all owners, unless arbitrary or contrary to law.

6.4 Remedies Preserved: The grant of power and authority to the Committee shall not be construed to prevent any owner of record from bringing an action to restrain a violation of any of the terms of this document.

6.5 Plan Approval: The Committee shall act and decide within fifteen (15) days of the date of submission of any written plan for approval or any other issue, and if the or issue be not approved, the request, construction, placement or intended addition and /or improvement to any lot shall not be undertaken. If the Committee fails to act within fifteen (15) days, the mater shall be deemed to have been approved. The following are examples of reasons for disapproval: A. The design or color scheme of a proposed residential dwelling, building or improvement is not in harmony with the intended or actual general surroundings of the lot or with the adjacent buildings, structures, or other residential dwellings. B. The Proposed improvements, or any part thereof, would, in the opinion of the Committee, be contrary to the best interest and welfare of rights of all or part of the other owners.

ARTICLE VII

HOMEOWNERS ASSOCIATION

7.1 Creation: As soon as the Owner deems, in its sole discretion, that a sufficient number of lots have been sold, the Owner shall create a homeowner's association (herein referred to as the Association) for the purpose of maintaining the standards and enforcing the covenants and restrictions contained in this document and for such additional purposes as its membership shall, from time to time, deem necessary or proper. The said Association shall be known by the name of Monarch Spring Property Owners Association.

7.2 Procedure For Creation: When the Owner desires to create the Association, it shall give all of the recorded lot owners of the property written notice of that fact, and said notice will be mailed to the last know address of said owners per the tax records of Jefferson County.
